**Parental Support:**

Parental awareness, support and involvement are crucial to the success of your child, so please be sure you know what is expected. ProgressBook (our online grading system) is available on a regular basis to parents and students to check on grades. Please contact the office for login and password information so you can monitor your child's progress. I update grades on a weekly basis. I look forward to partnering with you this year in educating your child. Keeping in touch is very important to me, and I encourage you to do so! Please feel free to contact me by school phone (419-668-8370) or email (friesb@norwalkruckers.net) when you have any questions or concerns.

I would greatly appreciate it if you would take the time to fill out the information below. Not only will it help me to stay in contact with you, it will enable your child to earn their first math money reward.

**To promote parent/teacher communication, please provide this information:**

**(Please print clearly)**
